WASHING GEL VOLL

Washing gel **Voll Universal**, Weiss and Color is suitable for washing in automatic washing machines as well as hand washing, at temperatures from 30°C to 60°C. Thanks to the enzymes and coconut soap contained in the gel, it effectively removes stains and all kinds of dirt. It leaves a pleasant, fresh smell on clothes.

WASHING POWDER VOLL

Washing powder **Voll Vollwaschmittel** for white washing and **Voll Colorwaschmittel** for colors are suitable for all types of washing machines and for hand washing. Ideal for washing at 30°C to 60°C. It contains oxygen-based bleaching compounds, soap, enzymes and components protecting the washing machine against scale deposits. Recommended for everyday washing.

FABRIC SOFTENER VOLL

Fabric softener Voll softens the fabric and makes it more elastic. It prevents from electrifying. It leaves a delicate, fresh fragrance that lasts.
